Conditions of use of the library

Registered Bands may borrow Band Settings, Scores, Solo's, Duets, Trios, Quartets, Ensembles and Piano Accompaniments for three months.

All music received must be returned at the expiration of the loan period, in the same condition. All individual parts need to be checked by the borrower and sorted into the correct order before returning it to the library, to ensure that all settings are complete.

Any overdue or damaged settings or scores may incur a fine of \$150 or the cost of replacing the music, whichever is the higher. Late solo's, duets, trios, quartets or ensembles may incur a fine of \$50 or the cost of replacing the music, whichever is the higher.

Scores for use as an adjudicators copy are available on request at the time of lodging the entry for the contest.

Please Download the AMPAL Guide to Print Music if you require more information about copyright and sheet music in Australia .

A condition of borrowing our library music is that no copying is permitted.
